DATES***

Camp is open to boys and girls ages 4 yrs to 7 yrs old. \$225/week  
Includes a Bit-By-Bit camp T-shirt.

The Little Bits Program was designed 3 years ago for our younger horse enthusiasts. We listened to your needs and were the first to create a program specifically for 4 to 7 year olds. We have taken our full day camp program, and “downsized” it into a very successful half day camp for those who feel that a full day is just too much.

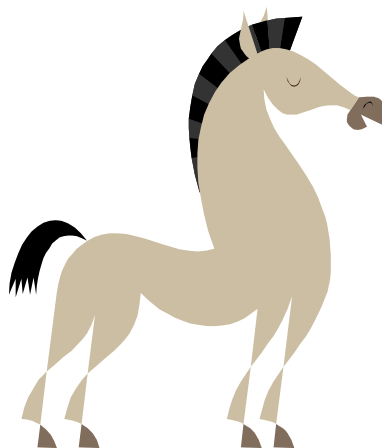

The children will learn SAFETY first. Through games, crafts and more the children will learn how to care for and groom a horse. Each day they will also be given a riding lesson on the same horses we use in our lessons year round.

Bit-By-Bit is one of the largest equestrian centers in Northampton County **celebrating over 20 years** of Happy Campers. Our program is unique from any other horse camp, as **your child will learn much more at Bit-By-Bit**. Why? In order to ensure close supervision and a maximum riding instruction for our child, our camp sizes are limited allowing a 2:1 student/teacher ratio.

The following information will help you to know what to bring and how to dress for camp.

1. You may want to bring a snack and definitely a jug of water.
2. Wear LONG PANTS and shoes or boots with a hard sole and a small heel. NO OPEN SHOES ARE PERMITTED. T-shirts are fine.
3. Wear sunscreen!!
4. Riding helmets will be worn during all mounted instructions. If you have a riding helmet, please bring it. A bicycle helmet will also work provided it fits properly and stays in place when worn.
5. Remember to label all of your belongings.
6. Our Little Bits Skills Demonstration will be held Friday from 11:00 to noon. We encourage all families and friends to join us. The children love to show off their horse and all that they have learned.
